Spice Guide

We are proud to use local producer **Angus & Oink** for our spices.

MR RUBBA RUBBA - Deep South Cajun Dust - A blend of spices, salt and sugar to add bombastic, jazzy flavours from the deep south with creole influences, inspired by barbecue, grill and slow cooking.

MOO MAMI - A blend of spices, herbs, chillies, salts and with smacking flavours of seaweed, soy and pineapple to give a great balance of heat.

RAMPANT ANGUS SCOTCH BONNET KETCHUP - A hot, sweet and mustardy magnificent ketchup

We are proud to use local producer **The Bread Guy** for our bread.
